ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

COURSE OBJECTIVE

The objective of this course is to update DDA careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

1 2 3 4 5 (6) 7

B. Please describe how you see the program benefiting you.

Provided me with an excellent overview of the Agency and its activities. Program enabled me to see that the success of the Agency is really dependent on everyone doing their job. Also surprised on how high most speakers thought of Mr. Bush.

C. Given your present assignment, what segment of the program did you find least useful?

AD/MAG session.

D. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

No. Speaker did not really come across strong enough. I feel he should have gone into more detail on how group is organized and gone into more on some of the past and current activities

E. We welcome your suggestions for improving this course:

Since every speaker at one time or another indicated some requirment on OOP support, perhaps a tour of the Computer Center and its operations would be beneficial.
